| | |
|------------------------|--|
| Job Title: | Joiner |
| Reporting to: | Operations Manager |
| Status of Post: | Full time permanent |
| Location: | Royal Ulster Agricultural Society, Eikon Exhibition Centre, Lisburn BT26 5RD |
| Hours of Work | 39 hours per week with overtime as required from time to time and agreed with your line manager |
| Hourly Rate | The rate of pay will be £16.30 per hour |
| Holidays | 20 days paid leave per calendar year plus 11 statutory and public days |

Role

The purpose of the role is to provide skilled joinery and carpentry support across the Eikon Exhibition Centre, ensuring the efficient construction and maintenance of building fixtures to a high standard of workmanship and safety.

Main duties & responsibilities

- General joinery and carpentry work across the venue
- Building temporary structures and laying of temporary flooring for various events as required
- Erection of signage and installing of barriers and fencing as required for various exhibitions
- Be adaptable and prepared to undertake laboring duties as required from time to time
- Use authorised plant & equipment including woodwork machinery provided with due care and attention
- Ensure all work is completed efficiently and to a high standard
- Build and maintain good working relationships with colleagues, customers, and managers.
- Be aware of risk assessments and method statements relating to your own area of work and to work in a safe manner taking account of other people's health and wellbeing
- Follow Health & Safety policy and procedures including the wearing of personal protective equipment when necessary
- Undertaking various training as required

- Maintain a clean, safe working environment
- Any other reasonable duty as directed by your line manager
